

Dear Friend and Supporter,

I am writing you today to invite you to support the ChadTough Foundation by joining us as a sponsor for the 3rd Annual Tee'd Off: Driving Out DIPG all women's golf outing fundraiser. The Foundation was started by the Carr Family in honor of their son, Chad, who, on November 23, 2015, lost his battle against Diffuse Intrinsic Pontine Glioma (DIPG), a leading cause of death from brain tumors in children. The ChadTough Foundation's mission is to fund research and raise awareness for pediatric brain tumors, with an emphasis on DIPG.

Tee'd Off: Driving Out DIPG, Presented by Enspire Dental, is being held on Monday, June 24, 2019 at Lake Forest Golf Club in Ann Arbor, Michigan. The intent of this event is to promote networking, recreation, relationship building and fun among philanthropic women in Washtenaw County and beyond. As friends of the Carr family, mothers and grandmothers of our own children and grandchildren, and/or members of the community that have rallied around finding a cure for DIPG, we know that this event will help to raise awareness and support for the mission of The ChadTough Foundation, and fund the important research underway, which will ultimately lead to an end to this devastating disease.

In our first two years, we have exceeded our own expectations, and raised \$51,000 for The ChadTough Foundation! To help us grow this event, and ensure that this becomes a mainstay in our community for years to come, we would greatly appreciate your support as a sponsor for our outing. We have several sponsorship levels available, as outlined below. We are grateful for our donors and will acknowledge each sponsor at 2 holes on the course, and per the benefits outlined within each sponsorship level. Donors will receive a receipt for charitable contributions from The ChadTough Foundation.

If you are interested in attending Tee'd Off: Driving Out DIPG as a golfer (if not included in one of our sponsorship options), please find the Facebook page of that title, where you will be directed to registration information. We would love to see you there! (Registration will open in February or March, and is limited to approximately the first 144 women golfers)

Please feel free to contact me with questions. On behalf of the Tee'd Off: Driving Out DIPG committee, and The ChadTough Foundation, I thank you in advance for your support!

With Kind Regards,

Dawn Whitford
Event Founder and Chairperson
