

How to Create a **FACEBOOK** Fundraiser from Desktop

1. From your personal profile on Facebook, in the upper right corner you will see this  – click on it.
2. Under create on the right side, click **FUNDRAISER** at the bottom with this ).
3. Click **NONPROFIT** on the next screen, and then select **ChadTough Defeat DIPG Foundation** (you may have to type in the search bar).
4. **COVER** will auto-populate with the ChadTough cover (don't worry, you will be able to change).
5. Add **GOAL AMOUNT** and end fundraiser on December 1.
6. Be sure to **PERSONALIZE** your fundraiser by filling in the title (just under the end date) and you can use the ChadTough description that auto-populates or change to tell your child's personal story in the "Why are you raising money?" section.
7. Next, you can change your **COVER PHOTO** for your fundraiser, just under the fundraiser description. Click the + and you can upload.
8. Hit the blue **CREATE** button... and **SHARE!**
